

## British Columbia Sasquatch

### Sightings, Encounters, Occurrences and Track Reports

Date	Location	Witness	Incident
1783	B.C. Interior	James K. Smith	David Thompson expedition came across animal tracks each as large as 14in x 8in that looked to have been made only six hours earlier. Thompson said these were the marks of a large old grizzly bear; 6 inch deep snow tracks had 4 large toes that were 4 inches long short claws.
1864	Fraser River canyon	Alexander Caulfield Anderson noted in Anderson's journal.	Hudson Bay Co. explorer and fur trader and his party attacked by hairy humanoids which threw rocks at them in the Fraser River canyon from the cliffs above.
1896	Suquash Creek	Witness unknown	Several 15-16 inch footprints are found.
1871	Harrison River area	Chehalis Indian woman told by abductee to J.W. Burns and noted by Ivan Sanderson.	An Indian woman was abducted by a Sasquatch near the community of Harrison Mills, and was able to escape the creature.
July 04, 1884	Yale Tunnel, 20 miles from Yale	Railway workers - George Tilbury to Colonist, Victoria, B.C. and noted by John Green.	Hairy half man, half beast, gorilla-type creature nicknamed Jacko, 4' 7" tall and weighing 127 pounds, captured by railway crew.
Summer	Restoration Bay	Witnesses	Several passengers on a boat spot a

1900		unknown	sasquatch walking on the beach. The creature retreats into the forest when it realizes it has been seen. It was described as very tall and black in color.
1900	O'Brian Bay	Unknown	A sasquatch was spotted.
1901	Campbell River area of Vancouver Island	Mike King to the Colonist, Victoria, BC.	Saw hairy man-beast washing roots in water and placing them in neat piles on riverbank.
1902	Valentine Lake west of 100 mile house	Witnesses unknown	A sasquatch was spotted near the edge of the lake.
1902	Melvin Creek	K. Marsh & C. Tobler.	Prospectors spot a sasquatch carrying a dead mountain goat.
Dec. 1904	Near Horne Lake, Vancouver Is.	A.R. Crump, J. Kincaid, T. Hutchins, W. Buss to the Colonist, Victoria and Province, Vancouver, BC.	Hunters in uninhabited area saw young, hairy wild man with long matted hair and a beard who ran off at speed through impenetrable undergrowth; had also been seen by others in past few years.
1907	Moresby Island	Unknown	A white colored sasquatch was spotted in the distance.
March 1907	Bishop's Cove, Vancouver Island	Indians/Villagers to the Province, Vancouver, BC.	Villagers scared by hairy monkey which dug clams and howled on beach at night.
1908	Trapper Lake Psayten Valley	Gordon Haim	Several large 17-18 inch footprints found near the lake shore.
May 1909	Near Chehalis Indian reserve	Peter Williams to J.W. Burns, 'Introducing B.C.'s Hairy Giants,' MacLean's Magazine 1 April 1929.	Sasquatch chased witness across Chehalis River followed home and then pushed against walls of wooden house.

1910	Vanderhoof	Witness unknown	Witness sees wildman in the distance.
1911	Harrison River	Anthony Fraiser	A fisherman spotted a wildman drinking from the river. The creature fled and left footprints measuring 17 inches.
1913	Spade Lake	Louis Bean	Witness finds several footprints estimated at 12-15 inches in length.
1915	Cougar Lake near Holy Cross Mountains	Donald McRae, Green Hicks in a statutory declaration sworn by Charles Flood, of New Westminster, B.C., in 1957.	Prospectors watched sasquatch eating berries. Animal quickly disappeared in bush once it realized it was being observed.
1921	Englishman Creek	Mr. Lutz	Witness spotted a very tall, brown sasquatch at the edge of the forest.
1922	Goat Mountain	Unknown	Three prospectors see a wildman walking up the mountain in the distance.
1923	Gibsons	Unknown	Three children spotted a sasquatch.
Summer 1924	Near head of Toba Inlet	Albert Ostman in an account written by Ostman and often quoted.	Prospector kidnapped and kept prisoner by family of sasquatch.
1927	Osbourne Ridge	Unknown	Several 14.5-inch footprints found.
Sept. 1927	Agassiz	Point & Adaline August in a letter from Point quoted by J.W. Burns, 'Introducing B.C.'s Hairy	While walking on railroad track, saw sasquatch coming towards them.

		Giants,' MacLean's Magazine 1 April 1929.	
1928	Fly Lake	Unknown	Several 16.5 inch footprints were found.
Fall 1928	Conuma River, Vancouver Is.	Muchalat Harry as told to Peter Byrne, 'The Search for Big Foot'	Indian kidnapped and kept prisoner by sasquatch.
1928	South Bentinck Arm, near Bella Coola	George Talleo to John Green	While trapping, saw and shot at sasquatch, which fell; witness did not stay in area. Earlier in day had found excrement covered by moss.
1930s to 1950s	Old town site of Bella Cools	Samson Mack as relayed by brother Clayton Mack	At about three o'clock in the morning. Samson met a Sasquatch right on the road. Man and saquatch stopped and looked at each other then parted company.
1930	Kwaltwa Kitasu Bay, Swindle Is.	Tom Brown to John Green	Sasquatch seen in shallows at night; screamed when shot at, but no body to be found next day.
1930	Fort Saint John	Greg Dorcy	A group of loggers hear awful screaming noises near their camp during the night. Sometime later they spot a sasquatch lurking around the outskirts of the camp. The loggers fire their rifles at the creature and it limps off into the forest.
1931	Fly Lake	Unknown	A large, hair covered bipedal creature was spotted in the distance.
1933	Mount Thompson	Unknown	Vocalizations described as being awful cries were heard near dusk coming from the southwest side of the mountain. A week prior to this incident large footprints had been

			found in the general area.
1933	Succour Lake	Leonard Barnes	A gray haired wildman was spotted eating leaves.
1933	Head of Pitt Lake	Two men in a letter to John Green	Saw sasquatch through field glasses eating berries.
1934	Mount Fisher	Unknown	Two campers spot a sasquatch in the distance.
March 1934	Chehalis Indian reserve near Harrison River	Frank Dan to Province, Vancouver, B.C.	Hairy giant seen by Indian near his home.
1934	Harrison River	Unknown	Several 18.5 inch footprints were found on a sand and gravel bar along the banks of the river.
Oct. 1935	Morris Valley, Morris Creek, Harrison River	Hammond Times newspaper article	Residents report hearing long, weird, wolf-like howls, snatches of weird language and then seeing two hairy giants astride a log paddling with their hairy hands and feet. The hairy wild men were later seen walking in a marshy duck-feeding area on Morris Creek each carrying large clubs. Witnesses see the hairy wild men climbing hand over hand up a near perpendicular cliff at Gibraltar Point and disappear at the top of the ridge.
1935	Hihium Lake	Clara Richmond	Witness spotted a 4 to 5 foot tall sasquatch with sandy-brown hair hiding behind a pile of logs. The creature ran into the forest when the witness approached.
July 1936	Morris Creek near Harrison River	Frank Dan report by J.W. Burns.	Sasquatch threw huge rocks at witness's canoe.
1937	Near Bridesville	Mrs. Jane Patterson report by John	Saw sasquatch sitting in abandoned garden.

		Green.	
1937	Taite Creek	Witness unknown	Witness spotted a wildman digging in the mud at the edge of creek.
Summer 1939	Devil's Creek	Unknown	Witnesses hear horrid screaming coming from two creatures.
Aug. 1939 or 1940	Headwaters of Silver Creek, Harrison Lake	Burns Yeomans & another prospector; Yeomans report to John Green.	Saw four or five sasquatch wrestling below in a clearing.
1930s	Near Alert Bay	Ellen Neai report to John Green.	Saw sasquatch walk along beach and into trees.
Fall 1939	Ferrer point	Mr. Lowney	Several large footprints estimated to be 17.5 - 18 inches in length were found.
1940	Octopus Creek	Two fishermen	Witnesses spot a brown haired sasquatch.
1940	Lookout Bay	T.Y.	Witness spotted a brown 7 to 8 foot tall sasquatch walking along the beach and into a grove of trees.
Sept. 1941	Ruby Creek	Mrs. Jeannie Chapman & 3 children; Chapman interviewed by John Green.	Sasquatch visited lonely house; steals salted salmon; woman and children fled in fear to old village site.
Oct. 1941	Port Douglas at head of Harrison Lake	Many Natives	Natives fled in canoes after seeing sasquatch nearly 14 feet tall near their village.
1942	Port McNeill	Unknown	Six 14.5-inch footprints found.
Winter 1942	Cranbrook	Clyde Martin & Angela Best	Witnesses spotted a large, reddish-brown man-beast crossing an open field.
1943	Saddle Mountain	Mr. Von Gratz & Mr. LaPointe	Sasquatch spotted in the distance, near the base of the mountain. Large footprints were found later

			that were estimated to be 15 inches in length.
1944	Liard River	Unknown	Several 16.5 inch footprints were found.
Early 1946	Near Coombes, Vancouver Island	Alex Oakes report by John Green.	Sasquatch ran across road in front of witness's car
1946	Cultus Lake	Unknown	Man and his newlywed wife disappear from cabin and never heard from again. Searchers find door to cabin open, fire prepared, plates on the table and giant footprints found all around outside the cabin.
1947	Grouse Mountain North Vancouver	Mr. & Mrs. Werner; witness report to Rene Dahinden	Driving along logging road, witnesses came upon two tall beings, with a deer skin wrapped round them.
1947	Gibson's Landing	J. Landry	Truck driver spotted a white sasquatch.
1948	Harrison Mills	Henry Charlie; witness report to John Green.	Indian on bicycle chased by sasquatch, which kept up with him for over one mile.
1949	New Hazelton	Frank Luxton to Vancouver Sun and reported by John Green.	Highway foreman saw 8-foot sasquatch while driving; it ran into the bush.
1949	Day Lake	T. Yarrow	Several 18 inch footprints were found.
Nov. 1949	Lorin Lake	Unknown	Five 19.5 inch footprints found.
1940s	Jacobsen Bay, 15 miles west of Bella Coola	Clayton Mack, famous grizzly bear hunting guide to John Green.	Saw a buckskin colored sasquatch from boat as it digging or lifting rocks, and then watched as it walked along beach and up into the timber.
June 1940s or '50s	Kitlope	Clayton Mack, famous grizzly	In the night a sasquatch howled at a broken window in an old house.

		bear hunting guide.	Next morning guide and client find large human-like tracks. Clayton Mack finds evidence that the sasquatch tried to destroy its own tracks.
1940s or '50s	Mud Bay, in Dean Channel	Clayton Mack, famous grizzly bear hunting guide.	Saw a 5 to 6 foot tall sasquatch sticking its head out from behind a tree. Later Macks finds evidence of sasquatch peeling and eating bark or sap from a hemlock tree.
1940s or '50s	Assek River head of the South Bentinck	Clayton Mack, famous grizzly bear hunting guide and client.	Clayton Mack and client from California observed a sasquatch on a tidal flat eating sweet grass seeds growing on the plant's roots.
1940s to 1960s	Brynildsen Bay near Klemtu	Clayton Mack and 25 boys aboard his boat at anchor.	Near dark witnesses hear possible sasquatch vocalization coming from beach sounding like the words "Haii haii haii."
1950s to 1960s	Skowquiltz River Valley	Clayton Mack, famous grizzly bear hunting guide and two clients.	From a mountain bluff above witnesses hear a deep sounding possible sasquatch vocalization.
1950	Vale Creek	K. Cazchick	Witness finds several 17.5 inch footprints.
1950	Smithers	Two brothers	Loggers find giant footprints on trail.
1951	Peachland	R.D.	Several 16-inch footprints found.
Sept. 1953	Near Courtenay, Vancouver Is.	Jack Twist to John Green.	At dusk saw 8-foot sasquatch on road ahead; it moved into forest.
1954	Sasquatch Pass, above Chilco Lake	Dr. George V. B. Cochran of the New York based Explorer's Club and a team of explorers	Witnesses found large human-like footprints in the snow and named the area Sasquatch Pass.
1954	Kimbol Lake	Unknown	A sasquatch was spotted in the distance.

Oct. 1955	Mica Mountain	William Roe; William Roe's sworn affidavit dated 26 Aug. 1957.	Watched female sasquatch eating leaves at a distance of 20 feet.
1955	Between Vancouver & Banff	Woman & boy	Witnesses on bus saw sasquatch standing beside road.
May 17, 1956	Trans-Canada Highway near Flood	Stanley Hunt, auctioneer, reported by Ivan Sanderson.	Slowed down as gray, 7-ft sasquatch crossed road to join another, which was gangly, not stocky like a bear.
1957	Tobermory Creek	Witness unknown	Witness finds a trail of 14-15 inch footprints.
1957	Hunter Creek near Hope	Semi-truck driver reported to Gerry Matthews	Noticed a large, dark creature over 6'6" tall on its hind legs crossing a farmer's fence and walk toward the Fraser River.
Dec. 1958	Bella Coola Valley	George Robson & Bert Solhjell reported to John Green.	Hunters saw 7-ft sasquatch watching them; ran off when they stared at it.
1958	Near New Hazelton	2 women	Sasquatch crossed road in front of witness's car.

Summer 1958	Harrison Hot Springs	Witness interviewed by Thomas Steenburg	Two boys out exploring the hills behind the Harrison Hot Springs Hotel saw a large, hair-covered, grayish-brown creature trying to hide behind an old-growth cedar tree about 100 feet away.
March 1959	Aristazabal Island	Lawrence Hopkins reported to Bob Titmus.	Saw a strong-smelling sasquatch in brush.
Sept. 1959	Hidden Lake near	Mrs. Bellvue;	While collecting wood at dusk for

	Enderby	witness's husband to Rene Dahinden	campfire, saw 6-ft sasquatch watching her.
1959	Nass Valley NW of Terrace	Cat driver	Large snag (dead tree) thrown across road in front of Native cat skinner.
Late 1950s	Near New Hazelton	Male witness to Bob Titmus	Sasquatch crossed road in front of the witness's car.
About 1950	Babine Lake Rd. just outside Smithers	Two brothers reported to Larry Sommerfield	Found giant footprints on a trail that were 4 to 5 feet apart. Alder trees 20 feet high on each side of trail had been bent over and had all their top branches stripped clean of tender tips leaves and buds.
Early 1960s	Pitt Lake	Oscar Greenland as reported to Ken Kristian	Witness observed a huge, dark colored man-ape bouncing up and down on a tree that had fallen in the lake. Once spotted the creature quickly scrambled up the log and into the bush.
Spring 1960	Elkford	Jeanette Carson	Several 17 inch footprints were found.
Feb. 1960	Price Island	Joe Hopkins reported to John Green & Bob Titmus.	While digging clams, saw small sasquatch walk up beach and into trees.
Winter 1960	Watson Bay, Roderick Is.	Timothy Robinson & Samson Duncan; witness to John Green & Bob Titmus.	Shot at small sasquatch on beach and found blood on snow where it had been, but were afraid to follow the creature.
Aug. 1960	Pitt Lake/Debeck Creek	Campers as reported by Ken Kristian	Campers sleeping under the stars on the beach are circled in the night by something tall, dark and walking on two feet.
1960	Rockslide Lake	Witness unknown	Huge footprints are found around an old derelict fishing boat.

1960	Invermere	Unknown	Witness spotted a gray sasquatch in the distance.
Late 1960s	Nazko River	Samial Paul	Witness spotted a sasquatch near the river.
Late 1960s	Pitt Lake	Logging camp workers reported to Ken Kristian	Two witnesses clearing large rocks off a logging road are followed a long distance by something tall and black that stayed hidden inside the tree line.
April 1961	Chehalis River valley	Witnesses unknown	A number of large humanoid tracks were found in the area.
Oct. 1961	Kokanee Glacier Park	John Bringsli reported to John Green.	Sasquatch hunter saw apelike creature on trail at night.
1961	Near Moricetown	Couple reported to Bob Titmus.	Sitting at breakfast, watched black, 8-foot sasquatch walk across field and road.
April 1962	Bella Coola	Woman & two children; witness reported to John Green.	Saw female sasquatch holding youngster by hand, on Bella Coola River bank; others saw Bigfoot in village at night.
July 1962	Stoney Lake near Hixon	Alex Lindstrom reported to John Green.	While on lake saw heavy, light-gray, 8-foot sasquatch on shore; it left quickly as he approached.
Aug. 07, 1962	Lemon Creek near Nelson	John Bringsli to Nelson, BC, Daily News.	Woodsmen and hunter, picking huckleberries, suddenly saw 7-9-foot sasquatch with 4-inch gray-blue body hair walking slowly towards him. It seemed curious. At 40 feet witness sprinted for his car and drove away.
Aug. 1962	Near Hixon	Woman reported to Rene Dahinden	Saw 7-foot black sasquatch walking along creek towards her; it jumped into bush upon seeing her.
Late Aug. 1962	Between Quesnel & Prince George	Mrs. Calhoun reported to Rene Dahinden.	Sasquatch seen in woods about 10 yards away.
Oct. 1962	Between Vedder	Joe Gregg, bus	Sasquatch crossed road in front of

	Crossing & Yarrow	driver off duty	car at night.
Fall 1962	Pitt Lake	Three Hunters as reported to Ken Kristian	Witnesses stated that late one night something hit high up on the wall of their hunting cabin hard enough to completely dislodge all the pipes to the wood stove that was burning at the time.
1962	Vedder Crossing	Witness unknown	Witness sees a 6 foot tall white haired sasquatch walking in river.
Fall 1962	Pitt Lake	3 hunters	Something big crashes into remote cabin in the middle of night and knocks out stove and pipes.
1963	Goose Point, near Anahim Lake	Harry Squiness reported to Rene Dahinden.	Hairy monkey face looked into tent; four sasquatch seen at edge of camp walked and into forest.
1963	Near Bella Bella	Jack Wilson	Saw Bigfoot on island shore.
1963	Snowshoe Lake	James Curry	Finds several footprints, one measuring 15.5 inches in length.
1964	Tachick Lake	Laurie MacLeod	Witness finds several 15.5 inch footprints along the northern shore of the lake.
June 1964	Trail	Michael Price.	Witness finds several 15-16 inch footprints.
July 04, 1964	Cultus Lake near Chilliwack	Two youths reported to John Green.	Saw 2 7-ft shaggy white sasquatch beside road at 2:30 am.
1965	Meares Island	Unknown	A sasquatch was spotted swimming near Meares Island.
May 31, 1965	Nicomien Island east of Mission	Mrs. Seraphine Jasper reported to John Green.	Saw tall black sasquatch in a field in daytime; cows stared at it.
June 28, 1965	Pitt Lake, 25 miles NE of Vancouver	Two prospectors reported to John Green.	Found 22 to 24-inch sasquatch tracks and later realized they were being watched. Sketched 12 to 15 foot tall sasquatch before it walked off.
July 1965	Near Butedale	Jack Taylor	Man fishing saw two sasquatch on

		reported to Bob Titmus.	shore and another in the water swimming strongly.
Summer 1965	Clio Bay near Kitimat	Group of men reported to Bob Titmus.	Saw sasquatch on rock beside sea; walked away upright.
Autumn 1965	Near Harrison Mills	Man reported to John Green & Rene Dahinden.	Saw female sasquatch in brush near road.
Nov. 1965	Green Bay, near Bella Coola	Jimmy Nelson interviewed by John Green.	Watched sasquatch cross logging slash in 10 min; witness took two hours to cross the same area.
Summer 1966	Monk Lake	Sam Raymond	Witness finds 12 18.5-inch footprints.
July 21, 1966	Richmond, Lulu Island	John Osborne reported to Vancouver Sun.	Big hairy man 6 to 7 ft tall seen in woods.
1966	Rock Creek	Witnesses unknown	Strange sounds were heard in the night; large 15 inch tracks found later.
July 21, 1966	Richmond, Lulu Island	Darlene Leaf	Saw head and shoulders of sasquatch above 6-foot raspberry bushes at night.
July 22, 1966	Near Fraser River, Richmond	John McKernan reported to John Green & Rene Dahinden.	In car driving and saw a sasquatch cross dirt road.
July 1966	Near White Rock	Mr. Letoul	Saw light sasquatch come up to his house in the moonlight; it fooled around.
July 1966	Richmond, Lulu Island	Don Gilmore reported by John Green.	Witness said a big woolly animal stampeded about 100 cattle.
1967	Bower Lake area near Kemano	Hunter reported to Larry Sommerfield.	On a trail the hunter smells strong pungent odor similar to a large decaying carcass; his dog laid down on its belly blocking his way.
1967	Graham Island	Unknown	Strange vocalization heard and several 17 inch footprints found.

Feb. 1967	Hartley Bay	2 men reported to Bob Titmus.	Saw sasquatch on an island and shot at it and it screamed.
Feb. 1968	Broughton Island	Tom Brown & Harry Whonnock	While digging clams, were watched by 6-foot sasquatch.
June 27, 1968	Salmon Arm Inlet	Gordon Baum reported to Vancouver Sun.	Saw 5-foot, black-haired sasquatch leap over pile of logs; It was gone in two seconds.
Summer 1968	Desolation Mountain	John Pack & friends	Several 17.5 inch footprints found near the base of the mountain.
Mid-Aug. 1968	Near Stewart	Two hunters reported to John Green.	Sasquatch over 7 feet tall with short neck, flat nose and long arms, ran up hillside at dusk.
Aug. 1968	Pitt Lake	2 road crew workers	While rolling large rocks off remote logging road workers hear then see large black creature.
Sept. 14, 1968	Near Chetwynd	Eddie Barnett & another game guide reported to John Green.	Saw a sasquatch.
1968	Fernie	Woman	Witness hears strange whooping sounds, smells bad odor. Horses acting nervous around barn. Strawberries raided from garden.
Late Feb. 1969	Khutze Inlet	Ronnie Nyce & two other men reported to Bob Titmus.	Shot at a sasquatch which ran screaming into woods.
May 18, 1969	Near Merritt	David Ludlam & army cadets reported to John Green.	Witnesses saw hairy 10-foot sasquatch near their camp, by day and night.
June 1969	Mamquam River	Gordon Ferrier to John Green.	Saw hairy biped with bushy tail; 3-toed tracks found later.
July 1969	Hope	Michelle Michaels & Roberta Clapp	Witnesses spotted a 7 foot tall, black haired sasquatch walking along the shoulder of the highway. It glanced at the witnesses then

			retreated to the forest.
Summer 1969	Peculiar Lake north of Prince George	Unknown	Several 16-inch footprints found on northeast shore of lake.
Oct. 25, 1969	Near Anahim Lake	Pan Phillips reported to John Green.	Game guide watched brown sasquatch through telescopic sight for 10 mins; it sat by snowhole (apparently its home) at edge of glacier at 6,000 ft.
Nov. 20 or 22, 1969	Trans-Canada Highway near Lytton	Ivan Wally reported to John Green in Agassiz, BC, The Advance 27 Nov. 1969	Gray-brown sasquatch about 7 feet tall stood in road with hands above head as witness drove by at night.
1969	Near Massett, Queen Charlotte Islands	Native Indians reported to Bob Titmus	Saw sasquatch on at least two occasions.
1969	Kumdis Island near Masset Inlet	Four hunters	Four hunters see sasquatch cross north tip of island and later find footprints and 7 inch hair.
1960s	Near Invermere	Man reported to John Green.	Saw white or gray sasquatch.
Late 1960s	Nazko River, S of Nazko	Samial Paul reported to John Green.	Saw sasquatch near river.
Winter, late 1960s	Vancouver Island	Paul Griffith reported to John Green.	After exploring a cave, saw 7-foot sasquatch with long arms, flat face and reflecting eyes at 3 am; later saw large tracks in snow near same cave.
Late 1960s	Pitt Lake	Oscar Greenland reported to Ken Kristian.	Sees then hears 8-foot Sasquatch in thick alders.
Jan. 07, 1970	Cheakamus River Canyon	Bill Taylor reported to John green.	Witness spotted a 7 foot tall sasquatch crossing the road in front of his car while carrying a fish in

			its hand.
Feb. 1970	Klemtu	Andrew Robinson reported to Bob Titmus.	While in a boat, the witness briefly spotted a sasquatch on the beach.
April 02, 1970	Near Harrison Hot Springs	Keith Shepard	Witness saw an eight foot tall, dark-haired Sasquatch amble across the road in front of his car.
Early Feb. 1970	Near Klemtu	Andrew Robinson	While in boat, saw 6-foot, light-brown sasquatch on beach.
March 10, 1970	Queen Charlotte Islands	Tina Brown reported to Vancouver Sun.	Saw 7-foot sasquatch in car headlights at night.
Early 1970	Near Juskatla	Boy; reported by John Green	Saw sasquatch run away with arms raised.
April 02, 1970	Harrison Hot Springs	Keith Shepard	Eight-foot-tall, dark, hair-covered sasquatch ambled across road in front of witness's car.
April 23, 1970	Near Klemtu	Crew of seiner Brace reported to John Green.	Saw beige sasquatch on shore.
March 1970	Skidegate Mission, Queen Charlotte Islands	Unknown	Witness sees 7 foot tall creature.
Sept. 1970	Powell River	Ralph K.	Witness finds three 14.5-inch footprints.
1971	Tofino	Gerry Hayworth	Witness hears loud vocalizations for two minutes one night and noted that at first his dogs barked loudly, growled madly, then within a few minutes they were whining and trying to hide.
August 1971	Morrisey Point	Unknown	Several 16.6-inch footprints were found.
Early Sept. 1971	Allison Pass, Manning Park	Man reported to John Green.	Saw dark, 8-foot sasquatch with small head and long arms walk across lighted highways department yard at 4 a.m.

The fall of 1971	Near Sechelt	Prospector reported to John Green.	Saw two sasquatch, the color of a collie dog, run away from small lake where they may have been pulling up lily roots.
1973 or '74	Hedley	Hunter reported to Ken Kristian	Witness finds possible sasquatch bedding spot located on a perfect vantage point. Bottom of bed consisted of piled evergreen bows. Dark hair, a strong smell and large human like droppings were also reported by the hunter.
1973	Near Ruby Creek Bridge on Hwy. 7	Ralph & Jennifer Bobb driving in car between 1 a.m and 1:30 returning from Chilliwack Drive-in movies; later interviewed by Thomas Steenburg	Male witness saw a huge creature believed to be a sasquatch standing on the left side of the road, looking at them drive by.
1973	Gambier Bay	Ron Murdock	Witness hears ape-like sounds and sees a black haired 7 foot tall sasquatch watching him.
March 18, 1973	Bute Inlet	Peter Spika, Luke Burmas & Nick Pisac	Herring fishermen watched beige, 10-foot sasquatch walking on beach.
March 1973	Rosswood about 30 miles north of Terrace	Family	Children saw two hair-covered human like creatures about 100 yards behind the house. One was an adult (mother) and the other a youngster about half as tall.
June 1973	Chapman Creek, Near Sechelt	Timber worker	Saw sasquatch jumping up and down; it left human-like footprint.
Summer 1973	Vernon	Clancy Murrow	Witness sees brown sasquatch crossing the road in front of him.
July 1973	Hunters Range	Pete Nab & two	Three hunters spotted a large black

	east of Enderby	friends reported to Thomas Steenburg	colored creature on two legs about 100 yards away at the edge of the treeline. All three started shooting with .22 calibre rifles. Creature put its hand to its chest as if swatting a fly; bullets had no affect. Creature turned and went one way and the hunters ran in the other direction.
July 1973	Roscoe Inlet	Fisheries patrolman interviewed by John Green & Bob Titmus	Watched 6-foot gray sasquatch rooting in vegetation on beach in daylight.
Aug. 1973	Squamish	Three campers	Witnesses sleeping in a tent hear heavy footsteps and loud vocalizations coming from the woods next to their camp.
Fall 1973	Hedley	Bob/Hunter	Finds possible Sasquatch bed/nest and large droppings concentrated in one area 75 ft. away.
Winter 1973	Sooke, Vancouver Isl.	Two men	Witnesses hiking in fresh snow above Sooke, up the Butler Brother's logging road found fresh 17 inch tracks, made cast.
1973	Near Agassiz	Woman & Child	Sasquatch screams at little girl and mother locks house doors. Father later finds tracks.
Jan. 1974	Terrace	Man reported to Larry Sommerfield	Witness saw a huge creature that stood at over 10 feet tall at 2 a.m at local landfill site.
July 18, 1974	Near the head of Harrison Lake	Wayne Jones	Sitting by campfire at night, watched 7-8-foot sasquatch for 5 minutes before other people disturbed it; it was licking mud off fingers.
Summer 1974	Revelstoke	Connie Wicks	Group of tree planters have the feeling they are being watched. Later they detect a very unpleasant

			odor in the air & find a very large footprint.
Summer 1974	Near Hope	Female witness & friend reported to Thomas Steenburg.	Woman and her friend saw what they thought was a brown, hairy sasquatch sitting on log while they were walking near the Fraser River.
1974	Near Castlegar	Young couple	Driving at night, saw sasquatch standing beside road.
1974	Lorne Creek, 30 miles east of Terrace	Man reported to Larry Sommerfield	Witness saw a brown-colored sasquatch a little over 6 feet tall with its back towards him. It standing up on its hind legs eating Saskatoon berries, and was using its front paws like hands. It had a very strong odor that reminded him of a camel smell
1974	Ferry Island near Terrace	Two men report to Larry Sommerfield	On the riverbank they found fresh large footprints, take photos and make plaster casts
Last week of October 1974	East, southeast of Mackenzie	Hunter reported to the Mackenzie R.C.M.P. and later interviewed by Thomas Steenburg.	Witness saw what he first thought was a large black stump leaning against the trunk of a large pine tree about 500 to 600 feet away. As he approached the tall black haired creature on two legs moved to hide behind the tree. Witness fired a shot over the creature's head and it turned and ran very fast straight down a steep hill.
Late October 1974	Princeton near the Tulameen River	Glen & Alan Boulier reported to and interviewed by Thomas Steenburg	Witnesses were jogging on the Coalmont-Tulameen Road returning from the Princeton airport and saw a 7 1/2 to 8 foot tall, brownish-black, hair covered creature cross the road near the Brown Bridge and lift itself up an embankment. The creature left barefoot prints about 13 inches long in the snow.

1974 or 1975	North of Penticton	Two fishermen	Witnesses say they saw a sasquatch lying beside trail in extreme state of decomposition.
Jan. 1975	Knight Inlet	Logger	Witness sees manlike/apelike creature standing in the middle of logging road staring at him.
Spring 1975	Dean River	E. Lambert	Fisherman hears loud crashing in the forest and then sees a brown haired bipedal creature step out to the river's edge. Upon seeing the witness, the surprised creature quickly dashed back into the forest.
May 1975	Fernie	Two boys	Witnesses saw sasquatch in a field and reported it to a local radio station.

June 28, 1992	Bute Inlet	Mine owner	Miners see sasquatch in area several times and later find a large dropping containing fibrous hairs.
1993	Strathcona Park, Vancouver Island	Loggers	Loggers find tracks possibly made by biped of great weight.

March 30, 1993	Hornet Creek Road, near Big Silver Creek on the west side of Harrison Lake	Joseph Verhovany reported to and interviewed by Thomas Steenburg	Witness saw at 100 yards a brownish-red, hair covered, muscular, Neanderthal-like creature over six feet tall using its hands to eat devil's club roots.
June 22, 1993	Cache Creek/Upper Hat Creek	Leonardo Thomas	Entire boy scout camp awakened at 1 a.m. by blood-curdling screams of intense volume.
Summer 1993	Jim Smith Lake	Unknown	Two witnesses observe a black haired 6 to 7 foot tall sasquatch crouching at the lake's edge.
Summer 1994	Upper Pitt River valley	Logging truck driver reported in the Vancouver Sun newspaper	Witness making his last run of the day spots a black haired beast over 6 feet tall walking on two legs.
June 23, 1994	Southbank	Two men	Witnesses spotted a black haired, 6-6.5 foot tall sasquatch near the ferry docks early one morning.
June 1994	Near Waterton Lakes	Driver reported to Gerry Matthews	Witness sees 8-foot tall creature standing upright on the side of the road.
August 17, 1994	Sasquatch Provincial Park	Mr. M. Jasmin & Ms. Sylvia Pool report by phone to Thomas Steenburg.	Several families camping in the park have sasquatch sightings and hear strange screaming coming from the hills at night. John Green and Bob Titmus investigate and find someone had quickly trampled over and destroyed all possible sasquatch footprints in the area.
Sept. 1994	Leon Creek, near Lillooet	Two hunters report to Ken Kristian	Men see sasquatch walking in logged off area.
Oct. 1994	Pitt Lake	Logging truck driver report to Vancouver Sun.	Sees large black bipedal creature walking at landing.
Oct. 1994	Leon Creek, near	Hunter to Ken	Sees sasquatch digging for roots in

	Lillooet	Kristian	clearcut. Animal then takes huge strides and disappears in bush.
Oct. 1994	Hoodoo Lake	Unknown	When calling moose a hunter receives a strange vocalization off to his right at 100 yards.
April 10, 1995	Mosquito Lake	Unknown	Witness hears vocalizations while at Mosquito Lake.
July 1995	Bella Coola	Indians	Sasquatch throws rocks at Natives while fishing.
Summer 1995	Upper Pitt River valley/Pitt Lake	Dan Gerak as reported to Ken Kristian	Three fishermen find five fresh 17-inch footprints impressed in fresh dirt at a very remote location.
Aug. 30, 1995	Pitt Lake	Josh Stantin	Witness finds several 17-inch footprints and later hears strange & eerie calls that he thought resembled the 1973 Puyallup recording.
March 14, 1996	Whistler	Y. Smith	Witness finds large footprints near an old abandoned building, each footprint measured 19 inches in length.
April 07, 1996	Pink Mountain	Louise Rawlinson	Witness finds several large footprints with one measuring 18.5-inches. Several snapped and broken trees found in area.
May 04, 1996	Sparwood	Laurie Mathers	Witnesses find several 19 inch footprints and several tree breaks and stick tee-pee formations possibly related to sasquatch.
July 1996	Pitt Lake/ upper Pitt River valley	Dan Gerak	Found four fresh 17 inch sasquatch tracks impressed in dirt on natural landslide in very remote area.
Oct. 09, 1996	Trembleur Lake	Reported by Martin Gratz	Three witnesses spotted 8-9 foot tall gray-haired sasquatch peering at them from behind some trees.
Oct. 1996	Trapper Lake/Pasayten River Valley	Ken Kristian	A string of estimated 16 to 17 inch footprints found in very fresh snow.

March 1997	Gustefson Lake	David Lewis	Witnesses find eight 14-inch footprints and make plaster casts.
May 03, 1997	Rice Lake, North Vancouver	John Kirk	Witness finds tracks on the edge of Rice Lake in mud and mulch near a gravel path. The hourglass shaped foot was 1 1/4 inches deep, 14 inches long and 8 inches across. The two tracks found were 8 feet apart, facing in opposite directions. There was an acrid odor at the site.
May 5-6, 1997	West of Hope	Wayne Oliver	Witness video tapes possible sasquatch in field close to Fraser River while traveling on Trans-Canada Hwy.
May 25, 1997	Fraser Canyon along the Anderson River near Spuzzum	Mike McDonald reported to and interviewed by Thomas Steenburg.	While hunting spring black bear witness saw through his rifle scope a huge, hair covered, chocolate brown sasquatch about seven feet tall standing on two legs. Witness ran back to his truck for a camera and in the meantime the creature disappeared.
Summer 1998	Deroche	Eight teenage boys attending a birthday party and camp-over. One male witness, the boy's mother and owner of the property interviewed by Ken Kristian.	Group of boys camping hear extremely loud and threatening screams, the breaking of large branches and something circling their camping spot. The mother of one of the boys stated that this was no joke and all the boys were very scared and refused to return to their camping spot.
Summer 1998	Cowichan Lake	Jerry Hall	Witness spotted a black haired 7 foot tall sasquatch peering through the window of a cabin.
Aug.-Sept. 1998	Gardner Canal	Two fisherman & woman	While traveling in a boat witnesses observed on a rocky slope a large brown creature standing erect on

			two legs that watched them as they went by.
Sept 1998	Jedney/Alaska Hwy.	Three hunters reported to Ken Kristian	Hunters loose half a moose that was ripped down off a 14 foot high meat rack. The rope holding the meat to the rack was snapped by pulling down with great force and not cut.
Oct.-Nov. 1998	Nass River near Nass Camp	Woman	Witness sees female sasquatch on trail while she was picking pine mushrooms in Monkey Valley.
Jan. 1999	North of Hope on American Mountain	Semi-truck driver reported to Gerry Matthews	Watch a large, dark figure walk across the highway.
June 1999	Cultus Lake Road.	Hiker	Large "tree stump" jumps up and runs away.
June 21, 1999	Kutzymatem Park	Unknown	Found 9' x 9' area cleared that could have been possible sasquatch bed.
Aug. 1999	Fernie	Unknown	Witnesses see a black haired 7 foot tall sasquatch cross the road in front of them in three step and disappear into the forest.
June 1999	Kitwanga	Driver reported to Gerry Matthews.	Witness sees female and four immature sasquatch crossing highway
Jan. 1999	North of Hope	Truck driver	Witness sees large dark figure walk across the highway just behind a tractor trailer and B train unit that he was following.
Feb. 1999	Whistler	Gondola rider reported to Gerry Matthews	Witness saw a bi-pedal figure without snowshoes but walking high on the snow come out of the dark forest, stop, and look up.
1999	West of Pink Mtn.- Redfern Lake	Multiple witnesses	Witnesses saw sasquatch estimated to be 15 feet tall.

Spring 2000	Princess Royal Island	Man	Witness hears strange whooping owl-like calls then hears grizzly bear running away from area downhill.
May 2000	Harrison Hot Springs Area	Resident reported to Gerry Matthews	Witness hears what he thinks was two separate sasquatch vocalizations.
Summer 2000	Logan Lake	Relayed to Tim Martindale by a couple that were camping in the area for two weeks. Tim Martindale reported to Bobbie Short at Bigfoot Encounters.	Witnesses report several incidents of their campsite being disturbed, missing food, missing clothing, finding 18 inch long, barefoot, humanlike footprints, and finally see a reddish-brown, 7-8 foot tall sasquatch in their camp throwing stuff around.
Fall 2000	Copper Mountain Princeton	Hunter reported to Zoli Bartha and followed up with a phone interview by Ken Kristian.	Witness has 3-4 second glimpse of a very tall, reddish-brown bipedal creature. Investigates area and finds two piles of fibrous, large diameter, rope-like droppings, rabbit and grouse bones with no teeth marks, and remnants of a crudely built fire.
Oct. 09, 2000	Kelowna	M. Steele	Witness finds several 17.5 inch footprints.
Summer 2001	Terrace Mountain	William Barber	Witness spotted a 7-8 foot tall white sasquatch standing on mountain ledge.
Summer 2001	Pipeline Road	Dan C.	Witness hears vocalizations emanating from woods and later sees a black haired, 10 foot tall sasquatch that quickly disappeared back into the bush once it realized it had been spotted.
Summer 2001	Fernie	Unknown	Witness spotted a 7 to 8 foot tall sasquatch with grayish-white hair

			squatting in the ditch at the side of the road. Creature walked across a clearing and disappeared into the forest.
July 17, 2001	Mount Robson National Park	Sean Viala & friends.	Witnesses find a four-toed, 17.5-inch sasquatch track near stream.
Aug. 2001	Lillooet	Unknown	Witness finds sasquatch footprints measuring 13 inches long by 7 inches wide.
Aug. 15, 2000	Silver Lake campground near Hope	Man	A black 7-8 foot creature squatting down was seen by the camper as he was sitting by the fire relaxing.
Aug. 23, 2001	Timberline Creek	Two campers	Man and wife find several footprints estimated to be 17.5 inches in length.
March 2002	Port Alberni	L. LaRoche	Witness finds four 14.5-inch footprints outside the city dump.
Nov. 12, 2002	On Island Hwy. between Port Alberni and Tofino	Two men	A large dark haired creature with reddish-orange eyes - and walking on two legs - was seen today off the highway between Port Alberni and Tofino by two Vancouver Island men.
2002	New Aiyansh, east side of Tseax River	Unknown	Witness hears vocalization and smells strong odor.
April 09, 2003	Duncan	Rudy Porter & Beth Cameron	Witnesses observed a 6 foot tall, black haired sasquatch cross the road in front of their car.
June 2003	Deroche	Three hikers reported to Ken Kristian	Hear threatening screams, breaking branches, strange mumbling sounds and something circling their location during darkness. A strong smell was also reported.
June 2003	Deroche	Woman reported to Ken Kristian & Thomas	Hears a strange and extremely loud vocalization emanating from mountains in early morning hours.

		Steenburg.	
June 24, 2003	100 Mile House	Unknown	Witness hears strange vocalizations, smells strange odor and later spots a black haired, 9 to 10 tall sasquatch.
July 2003	Deroche	Three women reported to Ken Kristian	Hear heavy footfalls and loud scream outside house at night. Large rock thrown at car.
July/August 2003	Deroche	One woman reported to Ken Kristian and followed up with an interview by Thomas Steenburg	Hears very loud screams or roars coming from mountain at 2 am in morning.
August 2003	Deroche	Ken Kristian	Found remains of possible bedding area and one possible 16 inch sasquatch track on property where on-going activity took place.
August 2003	Pitt Lake	Brad Hay as reported to Ken Kristian & Mark Hume of The Globe & Mail.	Two prospectors camped in the Debeck Creek valley hear a blood curdling scream then low garbled noises; a rotten odor was also smelled. In the morning they spot a 7 to 8 foot tall sasquatch crouched over a pond in the creek catching small fish.
Nov. 2003	Harrison Hot Springs	Woman	Hears long, loud, drawn out call coming from mountain near dark.
May 2004	Merritt	Tim Martindale	Mans sees father/son sasquatch near Merritt.
July 2004	Kincolith River	Unknown	Witness observes a large bipedal creature in the river.
July 2004	Canal Flats	One fisherman	Man has rocks tossed at him while fishing White Swan Lake in British Columbia
July 2004	Rivers Inlet	Two fishermen	Witnesses see a what looked like a cross between an ape and a tall

			man about 100 feet away on the shore standing ankle-deep in the water. Sasquatch made a whistling sound, then grunted like a pig. It picked up a branch and started beating the dirt and shallow water with it; then it threw the stick.
Aug. 15, 2004	Sunshine Valley east of Hope	Man & woman reported to and investigated by John Green and Thomas Steenburg.	Couple observe large bipedal creature run across road and later find signs indicating a possible bedding area.
Aug. 28, 2004	Kootenay Bay	Unknown	A large, hair covered, bipedal creature spotted holding a stick and splashing in the water at the lake's edge.
Oct. 3, 2004	Chehalis/Harrison R. Morris Valley Rd.	Man & Wife reported to John Green & followed up by Ken Kristian.	Couple hear two possible sasquatch calling back and forth, between 5 and 6 a.m.
December 08, 2004	Between Port Alberni and Tofino on Island Hwy.	Two women driving in a car; reported to BCTV, Global Network.	Narrowly missed hitting a large Sasquatch that had stepped on to the roadway in front of them. According to the witness, the Sasquatch stood its ground directly in front of the vehicle until it became scared by other approaching cars and quickly ran into the forest the at roadside.
Jan. 2005	Chehalis/Harrison R. Morris Valley Rd.	Man & Wife reported to Ken Kristian; investigation results in obtaining Chehalis sounds tape from witnesses.	Couple again hear vocalizations of two possible sasquatch calling back and forth in the distance during early morning hours.

Feb. 01, 2005	Chehalis/Harrison R. Morris Valley Rd.	Man & Wife	Same couple record possible sasquatch vocalization on Hi-8 camcorder placed outside their back door. The Chehalis scream.
March 08, 2005	Halfmoon Bay	Woman reported to and investigated by Thomas Steenburg.	Witness sees 9-foot tall black sasquatch cross road in a hunched forward position
July 2005	Terrace	Female's husband reported to Bobbie Short at Bigfoot Encounters with a note and photos.	While on a fishing trip the witness discovers and photographs what appear to be very large, human-like footprints in the mud along a river bank. The footprints also appear to be impressed deeply into the mud and have a great stride and step between them.
Aug. 14, 2005	Near Pr. George	Driver	Witness sees a dark 8-foot tall sasquatch near road.
Dec. 21, 2005	Deroche	Woman reported to Thomas Steenburg.	Witness again hears very loud screams or roars coming from mountain in early morning hours.
Jan. 15, 2006	Between Valemount and Kamloops	Man & Woman driving reported to Ken Kristian	Witnesses see a huge snowball (they estimated about one foot in diameter) fly with great force and speed across the road narrowly missing their truck's windshield. They stated that the snowball they saw flying through the air was far too large for any human to have thrown.
Feb. 06, 2006	Chehalis River & Morris Valley Rd. area	Man walking his dog; witness reported to Ken Kristian.	Witness hears a possible sasquatch vocalization emanating from the area around the Chehalis River and Morris Valley Road just as it was getting dark.
June 2006	Sooke	Woman and daughter relay	Witnesses living on rural property observe a mature and young

		sighting to Ken Kristian through a friend	sasquatch on their farm. The young sasquatch appeared to be injured and was being helped along by the older creature. Strange howls heard coming from their apple orchard at night.
July 2006	Long Island on Harrison Lake	Witness reported to Zoli Bartha	Boater at anchor in a remote bay hears loud howls and wood-knocking coming from different locations onshore late at night.

"Please [send us](#) your sasquatch sightings, encounters, occurrences and track reports"
